

Best Practices for Working with People with Developmental Disabilities and Mental Illness February 27, 2012

9:00 – 12:00

Location:

The Beacon Center, 500 Nash Medical Arts Mall, Rocky Mount, NC

This 3-hour session will provide guidance and advice to providers regarding innovative ways to provide treatment and supports to individuals who have a developmental disability and a mental health diagnosis. The presenter will focus on practical and therapeutic, person-centered approaches for The Beacon Center providers to consider.

Faculty: Leigh Ann Kingsbury, MPA

Leigh Ann is CEO of InLeadS, a training and consultation company. She is a master trainer for the National Center for Person Centered Practice. She is a recognized leader in training around healthcare decision making and care at end of life for persons with intellectual and developmental disabilities.

Objectives: In this session participants will:

- Review characteristics of individuals with DD/MH
- Learn practical considerations for planning and implementing appropriate care and support
- Learn some “dos and don’ts” for providing appropriate treatment and support
- Learn where to access additional resources to guide your practice.

Target Audience: *This session is open only to agencies providing services within The Beacon Center area. Clinical professionals, agency directors, or others interested in innovative approaches for dually-diagnosed individuals. **Only two people per agency are permitted to register for this event.***

This training is provided by The Beacon Center and there is no charge for agencies within The Beacon Center catchment area.

This training program is a collaborative effort among The Beacon Center and the NC Council of Community a provider of administrative services.
