

Medicaid Alert - ATTENTION ALL PROVIDERS

The Division of Medical Assistance has been instructed by the NC DHHS Secretary to reverse the proposed rate reductions that were effective September 1, 2010. Notwithstanding any further directives, the rates in effect as of August 31, 2010 shall remain in effect on September 1, 2010 and thereafter. The Division is in the process of replacing the published September 1, 2010 fees schedules with the previously published fee schedules. The Fiscal Agent has been instructed to continue with the current rates on and after September 1, 2010. If you have any questions, please call the Division of Medical Assistance Finance Management Section at 919-855-4180.
