From: Linda Hawley, Director of Quality Assurance and Provider Relations

We have just been notified that one of our Provider's will cease to provide Residential Services in several group homes and apartments for consumers with Mental Illness effective July 1, 2010. This includes 26 apartments in Wilson, 10 apartments in Rocky Mount, 1 six bed male group home in Rocky Mount and 1 six bed female group home in Rocky Mount. Due to the time constraints we will not be posting a Request For Proposal (RFP) for these services but would ask that if your agency is interested in operating these facilities that you send a letter or email to me by 5/24/10 expressing your interest in providing these services.

We will be working with our Provider Network to insure a smooth transition and continuity of care for the consumers currently receiving these Residential Services.
