Memorandum

To: The Beacon Center's Provider Network

From: Linda Hawley, Director of Quality Assurance and Provider Relations

Date: December 8, 2009

The following questions were sent to The Beacon Center by our Provider Network and were referred for clarification. If you have further questions about CABHA you can email them to me at [lindahawley@thebeaconcenter.net](mailto:lindahawley@thebeaconcenter.net) and I will send them up and share the responses with our Provider Network or you may send them directly to [ContactDMH@dhhs.nc.gov](mailto:ContactDMH@dhhs.nc.gov).

**Question 1:**

According to the Division's Review Tool posted in the last implementation update (#64), how does it pertain to newly endorsed or seeking providers? The reason for the question is that the tool required proof of claims and payroll for key staff for a 90 day period.

**Answer:**

The "history" is now 60 days and we did not intend that this review to emphasize just services as that is the LME role. We wanted to review 60 days of the impact of the MD, Clinical Director, Training and QI staff on the organization.

**Question 2:**

Can the FTE Community Supports LP serve as the Clinical Director under the certification of CABHA?

**Answer:**

Only the licensed personnel listed in the IU qualify as the Clinical Director
