From: Linda Hawley, Director of Quality Assurance and Provider Relations

I want to thank everyone for contacting me to notify me of their interest in operating the Residential Services in several group homes and apartments for consumers with Mental Illness. This is a statement of our Providers interest in providing quality care to the consumers in our catchment area.

As I stated in my email earlier this week this includes 26 apartments in Wilson, 10 apartments in Rocky Mount, 1 six bed male group home in Rocky Mount and 1 six bed female group home in Rocky Mount. It is a bundled program and will not be divided up. I will be posting a document with more specific information about this opportunity on 5/19/10 along with a Proposal document to be completed if you are interested. I will not be answering individual questions about this until after the information is posted on 5/19/10 due to the volume of calls and emails.

Please note that after the information is posted on 5/19/10 if you have further questions please email them to me at lindahawley@thebeaconcenter.net. Due to the amount of interest I will only be able to respond by email.

Thank you again for your interest in providing these services in our network.
