Re: Attendance at Provider Meetings

It is not appropriate for child/adolescent consumers to be brought to attend the Monthly Provider Meetings that are held at The Beacon Center. This meeting is a business and educational meeting being held between The Beacon Center and Providers who serve consumers from our Catchment area. The topics discussed in this meeting are sometimes related to budget cuts and changes in services. There are also times in which other topics are discussed that may lead to intense discussion. The topics discussed could cause unnecessary anxiety for our consumers.

Please note that effective today no child/adolescent consumers are to be brought to the Monthly Provider Meeting.
